Due to the fact that there are multiple candidates running for some of the offices, a discussion was held as to whether it is the duty of the Nomination Committee to select the Officers who are to be elected at the next general meeting or if the election of officers should be put to a general vote by the band boosters. The members were then referred to the relevant portion of the By-laws, which was read aloud as follows:

Article IX, Section 2. Election of Officers.

The option of putting a ballot box at the band banquet and allowing each parent a vote in a general election was discussed.
